PANDEMIC RESPONSE

This year, still faced with many challenges due to Covid-19, The Office of Fraternity and Sorority Life and the chapters were forced to operate in a completely virtual setting. This undoubtedly affected the data reflected in the annual report. The Fraternity & Sorority Life Office provided virtual support to all of the chapters and councils through virtual 1:1 meetings and creating digital resources for chapters to utilize. Catalyst, GSAP and Greek Leadership Academy at Eagle Leadership Institute were canceled this year due to the pandemic. The chapters had to shift their focus from community gatherings to fully virtual engagement. With continuous guidance and support, from both their respective national offices and the university, the community persevered.
