# ADVISING TIPS

## Familiarize yourself with the General Education Program!

All students, regardless of their major, must complete the general education program

## Make sure you stay in good Academic Standing!

**Good Academic Standing:** Maintaining a GPA of 2.0 or above, and a course completion rate of 67% (finish and pass 67% of the classes you attempt)

**Academic Plan Status:** If your GPA falls below a 2.0, you will be placed on an academic plan to allow you time to improve your GPA

**Dismissal Status:** If you do not meet all conditions of your academic plan, and your GPA is below a 2.0 for two semesters in a row, you will be academically dismissed from EMU
