REPORT: 2010-2011 SABBATICAL LEAVE AWARDS

ACTION REQUESTED

It is recommended that the Board of Regents accept and place on file the Report on 2010-2011 Sabbatical Leaves.

STAFF SUMMARY

Sabbatical leaves (one semester at full pay or two semesters at half pay) are granted for special study, research, and/or writing or other projects which enrich the teaching of individual faculty members; bring prestige to the individual and the University; or provide service of significant nature for local, state, national, or international organizations. The University Research and Sabbatical Leave Committee reviews the one semester sabbatical leave proposals and makes recommendations to the Provost and Executive Vice President. Two semester sabbatical leave proposals are decided at the college level. Brief summaries of the approved projects are provided on the following pages.

In 2010-2011, six (6) two-semester and sixteen (16) one-semester leaves will be awarded.

FISCAL IMPLICATIONS

None. The cost of sabbatical leaves will be absorbed in the 2010-2011 faculty salary budget.
