STAFF SUMMARY

For the 2009-10 academic year, Eastern's tuition and fee increase of 3.8% was the lowest among Michigan's 15 public Universities. Recognizing the unique and challenging times in our state and for our students, and to build on Eastern's present positive momentum, we are recommending no increase in tuition and fee rates for the Fall 2010.

For an Undergraduate taking 30 credits, the annual cost for tuition and mandatory fees would remain at \$8,377. Holding tuition and fees for 2010-11, coupled with continuing investments in academic quality and facilities, enhances Eastern's position as an excellent educational value for students - delivering a high quality education at tuition and fee levels below the majority of the 15 public Universities in Michigan.

Total 2010-2011 tuition and fee revenue is budgeted at \$198.6 million, a \$5.9 million increase compared with the forecast for 2009-10 reflecting budgeted student credit hour growth of 3.4%.

FISCAL IMPLICATIONS

The recommended tuition and fee levels outlined above are incorporated in the recommended 2010-2011 General Fund operating revenue budget of \$280.9 million.

ADMINISTRATIVE RECOMMENDATION

The proposed Board action has been reviewed and is recommended for Board approval.
